

Wheatcroft Overview - Science

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS	Similarities and differences in relation to objects, materials and living things Animals and plants; changes Good health – physical exercise, healthy diet, keeping safe					
Year 1	Animals including humans – carnivores, herbivores, omnivores	Seasonal changes Plants – deciduous evergreen	Everyday materials	Plants Animals – variety of common animals	Animals including humans – human body, senses	Comparing materials
Year 2	Living things and their habitats –		Uses of everyday materials	Animals including humans		Plants
Year 3	Rocks and soils	Magnets	Light	Forces	Plants Soils	Animals including humans – nutrition, teeth
Year 4	Animals including humans – skeleton, digestion Sound		Electricity		States of matter	Living things and their habitats
Year 5	Sorting and classifying materials. Properties of materials	Forces – levers, pulleys and gears	Earth and Space Forces – gravity, air resistance, water resistance and friction	Animals including humans	Changes of materials – mixing, dissolving and separating	Living things and their habitats
Year 6	Being scientists	Living things and their habitats Evolution and inheritance	Animals including humans- circulatory system	Light	Electricity	Animals including humans – health and wellbeing
