## **HOME/SCHOOL AGREEMENT 2024/25**

### **Statement of the Values and Ethos of Wheatcroft CP School**

#### **Learning**

We will support and challenge every child to do their best across the whole curriculum, achieving the highest standards of which each is capable. We will develop resilience and a positive self-belief.

**Music School Driver:** We will promote independent, creative thinkers who can appreciate and participate in music and the other arts both within and outside of school.

**Locality School Driver:** We will use our unique locality to give opportunities to all pupils, in every class, for enriched learning, including through off site visits and visitors.

#### **Caring Community School Driver**

We will encourage all pupils to use their skills and talents to make a positive contribution to the school, the local and wider community. We will ensure that the fundamental British Values of democracy, rule of law, individual liberty and mutual respect and tolerance of those different faiths and beliefs are discussed and lived out through the ethos and work of the school. We will provide a safe, healthy and caring environment where pupils learn to make informed choices.

#### **Life Skills**

We aim to equip all our pupils with the skills, attitudes and vision to be happy and achieve ongoing success as lifelong learners. We will encourage every child to develop a healthy body, mind and spirit through actively participating in different sports and activities that develop resilience and well-being.
