November 2023

Miss Harper & The PTA of Wheatcroft C P School

Dear Jac & Members,

## Re: Thanks

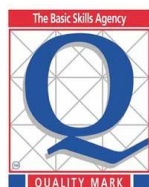

I wanted to put on record, on behalf of the whole governing body, how grateful we are for your fundraising efforts over the past year. It is wonderful to see so much life brought back to the PTA and to be able to enjoy the increased number of events and activities being scheduled across the terms.

The money raised by the PTA is so integral to being able to undertake improvement projects, buy resources and support school visits and we are truly grateful for how generous you are with your time and efforts in ensuring that this vital fundraising is able to take place.

I look forward to coming along to many more PTA events and supporting your efforts.

Yours sincerely,

Chris Baxter  
Chair of Governors
