

# Linked learning theme: Jurassic Coast

Autumn term 1, Year 1

## Geography – Our Jurassic Coast

### Prior knowledge

In EYFS, children have observed and described the environment around them.

### Core knowledge

- Scarborough is a town on the East coast of England.
- Scarborough is next to the North Sea.

### Key skills

- Use geographical vocabulary to refer to physical features – beach, cliff, coast, sea.
- Use world maps and globes to identify where they are.
- Use locational and directional language (near, far, left, right).

### Vocabulary

coast	town	near	map
beach	country	far	globe
cliff	Scarborough	left	
sea	England	right	

### Learning outcomes

- I can use geographical vocabulary to refer to physical features – beach, cliff, coast, sea.
- I can use geographical vocabulary to refer to human features – town, country
- I can use maps and globes to identify where we are.
- I can use simple directional language (near, far, left, right) to describe the location of features on a map.
