

Linked learning theme: Roman Remains

Spring term, Year 3

Geography – Map of Europe

Prior knowledge

In Year 2, children have located the continents and oceans of the world and know that the UK is in Europe.

Core knowledge

- Rome is the capital city of Italy.
- Italy is in Europe.
- There are countries in between Italy and Britain.

Key skills

- Use digital maps and atlases to locate the continent Europe.
- Use digital maps and atlases to locate the country Italy, and its capital city, Rome.

Vocabulary

Europe	Britain	capital city
continent	Italy	
country	Rome	

Learning outcomes

- I can use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied.
- I can locate and name the continents on a world map.
