School Photographs - Individuals and Families Tuesday 14th October

Dear Parents / Carers,

The school photographers will be in school on Tuesday 14th October.

Every child will have their individual school photograph taken on this day. If you have more than one child at Wheatcroft and would like them to have a photograph together please come along from 8.00am. A parent must be present and stay with them during the photographs and until 8.30am when they will come into school as normal. Unfortunately, we cannot accommodate larger family groups and pre-school or secondary school siblings on this occasion. **We will not be taking sibling photographs later in the day this year due to changes in our lunchtime routines and time constraints so please ensure you come along before school if you would like a picture of children together.**

Children should come to school at the normal time dressed in their usual smart school uniform. If your child has P.E on this day please come to school in uniform.

Yours sincerely,

Mr G Dyer
Headteacher
