05th January 2026

Dear Parents and Carers,

We are writing to inform you that after the February half term break, a new booking system will be live for Wheaties morning and after-school wraparound care. All bookings will now be made through ParentPay.

To book sessions, your ParentPay account must be in credit, as payment will be required upfront to reserve a place. Families who use government childcare vouchers will also need to ensure their accounts remain in credit. Your account with the government should be in credit in advance of the wheaties booking.

Every Friday bookings will be open for the following week. This means you will need to log in each week to book your required sessions for the upcoming week.

You will be able to cancel bookings yourself through ParentPay. Any eligible refunds will be automatically credited back to your ParentPay account.

Please note that ParentPay will be the only way to book and pay for Wheaties morning and after-school club. If you have not already done so, please ensure your ParentPay account is activated. If you need help with activating your account or adding siblings please ask the School Office. ParentPay is also used for class day trips, residential trips, dinner money, and replacement book bags or P.E. bags.

Thank you in advance for your cooperation and support with this change.

Kind regards,

Miss E Mann
Office Manager
