

Linked learning theme: Where the Land Meets the Sea

Summer Term 2 - Year 2

Art – Printing (Line)

Prior learning

In Year 1 children have printed using a variety of objects/items.

Core knowledge

- Printing can duplicate the same picture more than once but in different ways.
- Different lines can create different prints and effects.
- Printing can be used as a form of drawing.

Key skills

- Observe examples of printmaking and talk about it how it looks.
- Use a sketchbook to explore ideas and collect information to use in my work.
- Use lines to create a print inspired by the seaside/ lighthouse.
- Use printing techniques to create an effect.
- Use printing techniques to create an effect and produce more than one copy.
- Talk about their own work.

Vocabulary

Safe Print
pattern

Curve/curved
straight

Carve
print

cut into
repeat

Learning Outcomes

- I can use a technique to create a print pattern.
- I can talk about my ideas and the artwork I have created and suggest ways I can improve my work.
