

# Linked learning theme: Village Settlers

Spring term 2, Year 4

## Art – Landscape Sculpture

### Prior learning

In KS1, children have explored sculpture and modelling using different materials. In year 3, the children have experienced sculpture using clay.

### Core knowledge

- Sculpture is work in 3D.
- Different materials can be used to make sculptures.
- Maps show a 2D representation of a 3D landscape (geography).

### Key skills

- Explore ideas and collect information to use in their work.
- Work in a group to create larger 3D models using different materials.
- Talk about the artwork they have created and adapt and improve it.

### Vocabulary

Sculpture	2 dimensional (2D)	dimension	Construct
tactile	3 dimensional (3D)	layer	differences
		appearance	

### Learning Outcomes

- I can explore ideas and collect information to use in my work.
- I can design and create 3D models using different materials (e.g. recycled, natural materials, clay).
- I can talk about the art work I have created and adapt and improve it.
