Summer term, Year 4

## Art – Clay tiles

### Prior knowledge

In Y2, children have rolled out clay to make tiles with carved designs.

### Core knowledge

- Hilke Macintyre is an artist who designs and makes ceramic tiles.
- Ceramic tiles may have designs pressed into them and/or designs built up in relief.
- Clay must be joined properly if it is to remain joined when it dries.

### Key skills

- Use a sketchbook to explore and collect ideas.
- Design and create a clay tile.
- Use clay tools with increasing accuracy and join clay effectively.
- Talk about the work of Hilke Macintyre and their own work.

### Vocabulary

clay	slip
ceramic	join
tile	

### Learning outcomes

- I can use a sketchbook to explore ideas and collect information to use in my work.
- I can design and create tiles using clay.
- I can talk about similarities and differences between my own and others art work.
